

14 Beautiful Stories From My Lesbian Life: Number 6 is my favourite!

A collection of my best lesbian stories. So this is it, the big one. The ultimate anthology of my earliest erotica, all stitched neatly together and packaged for those long, dark winter nights, when you have nothing else to do than taking a long bath and an even longer masturbation session. This book contains a colourful cornucopia of my favourite fetishes (alliterations and all). So if you're a fan of some nice lesbian domination, with a good (huge) dose of peeing, some rough fisting, routine anal sex, some public humiliation, sperm play, abuse, and, of course, lots and lots of beautiful, regular, naughty and oh-so willing women, I can promise, you'll enjoy this.
