

## Bite-Sized Content: Tasty Morsels for the Modern Reader

Bite-Sized Content: Tasty Morsels for the Modern Reader is a sometimes funny, sometimes serious, and often thought-provoking look at life today. From smartphones and social media to life and the universe, it covers every aspect of modern living and asks the questions we maybe never thought of, or were perhaps too conditioned to see. Pick it up. Dip into it when you need inspiration. Flick to the back if you want something thoughtful, or seek out the fun when you need to be cheered up. There really is something for everyone in this gem. A quote for every day and every situation? Probably, but don't quote us. Download this book and read it for yourself.
