

Daddys Regret: Mommas Mistake

Shi is a young woman who grew tired of being abused. After escaping from her abuser, the troubles never seem to end. For some time, she put up a wall on any man that comes near. After finally giving love another shot, she lets a good one slip through her fingers. She continues her search for Mr. Right only to find Mr. Wrong again. After being mistreated over and over again, Shi reeks with vengeance. Will it destroy her, or will she land in the hands of yet another good man? Its one of those stories where you could do something out of spite, but dont have the guts to do so. Shi is like that in the beginning, but after being taken advantage of for so long. She is filled with anger that overpowers the innocent person she once was.
