

Shattered

When architect Holly Fairfield lands a dream job renovating a posh San Francisco restaurant, she discovers nothing has happened by chance. Soon she's caught in a dangerous game between Cutty family rivals and a dark legacy of obsession and murder. Enigmatic and sensual Ryan Cutty warns her to get out while she can. He taunts her with the portrait of a woman called Nina, a woman he planned to marry a woman whose past Holly can't ignore. Suddenly Holly realizes that her presence here may be part of a sinister plan to exact vengeance for Nina's murder. As Holly is drawn deeper into Ryan's world and his intoxicating embrace, she can only wonder if his passion is a desperate attempt to save her from Nina's fate or protect the family he loves from the secrets Holly is determined to uncover. She is dangerously close to unlocking the truth but is it worth her life?
