

Katie of Malheur Oregon Country

Katie Erickson, an eleven year old girl from Tule Lake, California, had the misfortune of being born in a decade of western emigration and on-going Indian unrest. After a devastating attack at her home in Modoc country and the loss of her parents, she must begin a new life in Malheur (bad hour) County, Oregon at a place called Stone House. It sounded like a lonely country. Katie recoils at accepting the kindness of strangers. But what else can she do? During her travel to Oregon with the Cavalry Katie gets to know a tall rangy corporal named Brad Jennings. He gives her a surprising gift which is the first of many gifts she will receive and learn to appreciate. Brad himself may come to be one of those gifts. The Rineharts of Stone House welcome her as their daughter, and a new life begins for Katie, a life where she will adjust to the death of her parents, make new friends, become unwillingly immersed in a new culture, and benefit from opportunity to share the blessings in her life. Adventure calls. An unexpected visit to an Indian village; the unrest of the native populations during the Bannock and Sheepeaters Indian Wars; and opportunities to reach out to the enemy impact her life in unforeseen ways. Choices confront Katie too. Will the moments she and Brad spend together grow their relationship? Will the precarious choices Brad makes shatter her dreams and cause her to leave her new country for greener pastures? Will she forgive Brads unexplained absence or hold on to a grudge and let it ruin their chances for a life together? Welcome to the sagebrush hills and plains of Malheur County Oregon and its late-19th Century heritage which inspired Katies story. My hope is that it will bring pleasure to you as well as a better knowledge of this areas place in Northwest history. I was inspired to write this story when I recently learned that the original name of my hometown, Vale, Oregon, was Stone House, named for

the two-story, block-shaped stone house built by Lewis and Amanda Rinehart in 1872. The story, in large part, contains the history of the happenings in this area. Katie and Brad fit in around the history. Katie Erickson, eleven years old suffers the devastating loss of her parents in an Indian assault.. Rescued by Cavalry troops from her torturous loneliness she is taken to Stone House on the Oregon Trail. Stone House eventually Vale, Malheur County, Oregon and its owners, Lewis and Amanda Rinehart embrace her as their daughter. Host to emigrants, army officers, and settlers fleeing Indian attacks, Stone House and its history-in-the-making enhance her life with unexpected adventure and romance. This account of a decade of Indian turmoil and conflict with the encroaching emigrants will engage your emotions and strengthen your knowledge of Northwest history.
