

## Revelations of the Anonymous

After hiding in the garage on a dusty shelf for nearly 20 years, Stacey Marcus has finally found the courage to reveal her painful truth with the release of her first book of poetry, *Revelations of the Anonymous*. In transcendent, simple words, Stacey has found a way to tell the story of her dark journey through tragedy into triumph. Written over a twenty-five year period, this collection of poems and thoughts is the voice of one anonymous woman's genuine power to stir, inspire and provoke one's peace of mind.
