

Liberty : Changing Leads

When Liberty Jackson finds herself not only watching the horses on Flannigan Farm but working with them as well, its like a dream come true. Though Molly Flannigan, the owner of the farm, is tough and the stable work isnt easy, Liberty flourishes under Mollys leadership. She discovers comfort in working on the farm and shelter away from the pressures of her freshman year of high school. However, on the first day, she instantly makes enemies with the richest, most powerful girl on campus, Chyna. And when she finds out that Chynas father, Winchester Montgomery Sinclair, III, has a dark past with Molly Flannigan and her farm, shes afraid of what the most powerful man in Fredericksburg, California, will do. As Liberty uncovers her passion for the fast-paced world of thoroughbred horse racing, she also learns how dangerous it can be. But will her newfound fervor for racing be squashed by fear? Will Liberty be able to overcome her differences with Chyna and keep the farm safe from Sinclairs tyrannical rule? Will her faith be strong enough to overcome her obstacles? Find out in Kimberlee Fletchers adventurous coming-of-age novel, Liberty: Changing Leads.
