

A Knight To Remember: Visions with the Sidhe

The story is beautifully written and illustrated. It is woven around 22 fresh paintings that extend the Card Deck of the Sidhe. One reader enthused that this story, transported me effortlessly to that hillside, to those Standing Stones. It is here where our wounded warrior begins his quest for meaning and spiritual transformation. You will feel the freshness of potential in the journey through the four gates of the circle of the Sidhe, and the flames of hope in your heart, and the wellsprings of renewal in your soul and body . Another reader noted that, no doubt this work will resonate with many readers.
