

A Season To Kill

A 2016 Next Generation Indie Book Award Finalist As the new sheriff in the rural town of Macon, Pennsylvania, Chris DeAngelo digs into a series of unsolved cases - only to unearth a dangerous secret that puts him into a killers crosshairs... Brilliantly written and truly suspenseful (San Francisco Book Review)... When small-town deputy sheriff Chris DeAngelo is suddenly vaulted to the top law enforcement job, his first case is the disappearance of a local meth dealer. It looks like a routine case of a marginal petty crook gone missing, but as Sheriff DeAngelo dutifully follows the evidence he plunges into a disturbing web of treachery and deceit that rocks the placid hunting town. This crisp, imaginative thriller boasts a vivid sense of place, richly drawn characters, and an intricate plot that keeps unfolding until the very last page.
