

A Wintry Forgiveness

Without knowing what seems to be going on inside of his head, Adrianna knows they are heading for divorce, but there isn't anything she can do. Not long after their separation, a force of nature throws them together, and Adrianna and Rick once again realize they still have their love for each other. Although their kids are fighting for their parents and want everything to work out for the best, can it happen? Can Adrianna and Rick get back together and work out their differences? Or are the strange things between them going to keep them apart forever?
