

Thank You for the Music

In 14 original stories, Jane McCafferty illuminates modern life weaving her love of music throughout the lives and stories of her characters. From two middle-aged strangers who meet in an empty baseball stadium during a rainstorm, to a 23-year-old man who brings his 62-year-old wife home to meet his parents, to a young couple who live next door to an unemployed clown and his wife, these stories are at one unexpected and enthralling. This collection of short stories, linked by the theme of music, is a gorgeous follow-up to *One Heart*, award-winning writer Jane McCafferty's critically acclaimed debut novel.
