

AMACAT: Donovan: Thief for Hire

Second in the Donovan: Thief For Hire thriller series, Sean Donovan is embroiled in a triplet of trouble. His sisters newly ex-boyfriend, an obsessed art collector, dumped an ugly, but valuable fish mask in her lap. A mask being hunted by a lethal insurance agent. Beth McLean, barely an acquaintance from London, is being framed. She reaches out to the only person she believes can help clear her name. Who at the Canadian embassy is behind this treachery? Or is it all connected to his nemesis, Gaia? And did the multimillionaire art dealer order the murder of Donovans ex-girlfriend as the ultimate payback? All this falls into Donovans lap, and he still cannot stop himself from a small side trip to find a stolen cask of the last great batch of Provencal pinot noir wine. Too much baggage? Read A Mask, A Cask and A Task: AMACAT.
