

Trip-Up: (A Gripping Thriller)

London. 1965. Is Jack Back? When young beautiful women die in mysterious circumstances on the streets of 1960s Clerkenwell, no-nonsense D.I. Ted Adlow takes on the case and is drawn deeper into London's colourful underbelly. With the investigation moving from seedy strip clubs to aromatic Italian trattorias, what he uncovers begins to echo an earlier, infamous time for the capital. A time when fear stalked London's streets. Now Adlow must dig deep into his own past, to summon the strength and skill to defeat this lethal adversary and save innocent lives. One of them being his own. Trip-Up is a gripping crime thriller packed with suspense, twists and intrigue. Grab Your Copy Now.
