

Outlaws Woman (LIN) (Linford Western Library)

On their way back from a bank raid, an outlaw gang encounter Ralph Coates, tied to a corral pole, his back a bloody mess of torn flesh. The one woman in the gang takes pity on him and coaxes compassion out of the others. Gang leader Roy Durwood decides the man will not survive, and the robbers continue their ride. But Coates is stronger than any of them realized - and it is not long before he brings about an awesome retribution.
