

## Angels At War

Two years have passed since Livia and her sisters suffered at the hands of their brutal father and all seems well in the Lake District: Livia is set to marry Jack Flint while her sisters are content at Todd Farm. Yet Livia dreams of running the neglected drapery business, that her father left her. But is she prepared to jeopardise the love she shares with Jack to achieve her wish? Standing in her way is wealthy, determined Matthew Grayson, his infuriating stubbornness clashes with Livia's tenacity. As her problems with Jack worsen, Livia finds it increasingly difficult to resist his charms.
