

Anthyas World

Droclum is dead, but artifacts of his evil remain. Rahlys and a chosen few of her warriors join Anthya and Quaylyn on an expedition to the Devastated Continent, to search for the seven members of the lost expedition, and to explore the island continent, transformed by the catastrophic eruption of Mt. Vatre. Meanwhile back on Earth, Vince and Maggie are immersed in unique challenges of their own. Anthyas World intricately weaves a powerful tale that spans from Alaskas North Slope and Upper Susitna Valley to a world across the Milky Way Galaxy.
