

The Memory Barrel

Experience life through The Memory Barrel and see everything isn't always as it seems to the mind's eye. DBLorgan will surround you with her magically inspired novel. Allowing it to touch you as no other book has ever done. Meet Debra Pratt and walk beside her as her moments in life will seem to reflect yours. You will be pulled within the pages to be inspired and emotionally engaged. Enjoy her talented gift as she blends this realm and the next so much so that your questioning which is occurring. How did she do it? She will say the story was given to her as she sat by her old oak tree. When the day finally came to share with the world: {New Year's Eve 2009 a night of the blue moon.} DBLorgan knew this was a sign given it had to be sent then. To say a book such as this comes along once in a blue moon. {From Author DBLorgan} This is the first edition. The Memory Barrel : Second Edition, is now also available. Explanation to why the second edition was necessary: When the first edition was released finances didn't allow me the ability to have it totally edited. My grammar was not of a professional editing status. I was a Mom, I had the words, I was given them to share so I did. I didn't write this for financial gain, but for the readers. I knew I was to be a writer and a teacher of life. I felt by letting it go, showing others wanting to write a book, to do it! Let nothing stand in your way. In the beginning months of 2013 I saw I had to have it totally revised. A full editing staff and to make it perfect for the reader. It transitions to be how it was originally intended. To have the reader blended with the story to believe that anything is possible in this life. For all to see that a book like this comes along once in a blue moon. Purchase both copies and you will smile as they both will touch your heart. You will then understand you do your best but sometimes you need to do it again. I did
