

## A Few Good Old Men

There are a lot of bad men walking around out there because it is against the law to kill them. The Pessimists Roundtable at the American Legion Post realized that there was a situation where the law was no longer a deterrent. They organized A Few Good Old Men and distributed Final Missions to handle unresolved injustices. Wrong -doing suddenly had consequences. The concept moved into the political world giving We, the People added hope of recovering their country.
