

Blood Kin (Seth Strummer)

Young Johanna Devery is ordered to marry the man who brutally raped her. When she refuses, her stepfather chattels her into his El Paso brothel. Disguised as a boy, she escapes, fleeing El Paso forever. Until she meets Seth Strummer. A hired gun with blood on his hands, Seth is returning to El Paso to settle an old score. They are not a bad team, Johanna decides--a hired killer and an abused girl. Maybe she should return with him. Maybe she should settle a few scores herself....
