

Holiday Bliss Omnibus Edition (Holiday Bliss Bundle Book 2)

The Jaz Jiminez Holiday Seductions series is a collection of unconventional erotic romances that place the emphasis on seduction. Holiday Bliss Omnibus Edition collects all five books in the series, which includes Thanksgiving Bliss, Hanukkah Bliss, Christmas Bliss, New Years Bliss, and Valentine Bliss into one book. For those in search of a bargain, Holiday Bliss Omnibus Edition offers all five books for less than the price of three. That's a big savings over purchasing each of them separately. In Thanksgiving Bliss, Jaz approaches a bookish fellow university student and offers to go to McBurger with her, forming an unexpectedly close bond with Gayle Standish in a short amount of time. In Hanukkah Bliss, Jaz performs a mitzvah for a foreign exchange student and before long they find themselves celebrating the Festival of Lights in a way most decidedly unkosher. In Christmas Bliss, Jaz receives a call to help out a classmate with a staffing shortage and finds out that some of the hottest action often takes place nowhere near the silver screen. In New Years Bliss, Jaz's annoying roommate Summer calls into question the depth of her relationship with her new girlfriend, Merry. Will her deepest crush survive into the New Year? And in Valentine Bliss, Jaz confronts her biggest challenge yet: seducing a blonde conservative girl who thinks all sex is negative. Warning: 18+ This title contains erotic situations, strong and graphic language, sex between two females, kissing, fondling, breast foreplay, erotic touching, cunnilingus and so many erotic thrills, you'll swear they're happening to you. Holiday Bliss Omnibus Edition is a collection of four erotic romance novelettes and one erotic romance short story, approximately 52,600 words (~220 pages) in length. It collects all five books in the Jaz Jiminez Holiday Seductions series.
