

Storygram: 100 short stories inspired by 100 pictures (Volume 2)

To make a Storygram... I choose a picture from my mobile photography, use my phone to edit the picture, and write a short story based on the final image. Then, I post the story and its picture to my blog and Instagram. Sometimes they are science fiction. Sometimes they are fantasy. Sometimes they are just unusual. But they are always an adventure. Journey with me through this collection of 100 Storygrams. Whether they are for your coffee break or your coffee table, my hope is that you read these stories with a dreamer's eye, letting them weave your soul in and out of quick adventures.
