

## Adventures of Bumper

At times whimsical, at times universal, Higgins crafts a collection of short stories and poems that are sure to leave a long-lasting impression on readers of any age. Bumpers adventures range from lighthearted fairy tales to far-reaching spiritual and life lessons, all connected by Higgins timeless lyricism and prose. Fantasy and reality exist side by side, sometimes blurring, and always challenging the readers assumptions. Above all, the collection illustrates a vast understanding and appreciation for the natural world that inflames every word with the authors immense passion for life and its mysteries. Memorable characters, complex lessons, and adventures inspired by both real events and a lively imagination all combine to create an unforgettable read. The most ordinary things become fascinating and elaborate through Higgins dreamlike tone, sure to ensnare any reader into her unique fantasy, for now and many years to come.
