

Carpathia Tuathenia

Two sisters are parted shortly after birth to protect them from those who had killed their parents. The youngest, Ashling goes in search of her sister after having visions of a Great Battle and the death of her beloved, Arion. She finds her sister Aisline and her mate Herne. They go on a journey thru strange lands and become teachers to a young faery, Ainae. Together they encounter spirits of the Underworld, unforsaken lands and hideous creatures. Spells are cast and potions created to help protect themselves. A new king is found for Ashling.
