

## Catch Us If You Can

Catch Us If You Can is a coming-of-age tale of small town but urban youth growing up in the late 1960s trying to untangle the answer to Bruce Springsteens haunting question: Is a dream a lie if it dont come true or is it something worse? It is 1967. In Oldbrook, where basketball is a religion and making the high school team is a confirmation, Gene Gennaro is sailing through his freshman year, blown along by the steady prevailing innocent winds of the time ?- sports, girls, and Rock & Roll. When a tragedy thrusts him into a new world forever rocked by the fateful day, he begins a journey through the berserk times.

For Gene, the Summer of Love is a summer of healing, buoyed by The Beatles and basketball. The next three frenetic years of high school are a lifeline as unbreakable as the fidelity of his friendships with five basketball teammates; most of all, Reuben, his best buddy since before kindergarten, whose lifeline at times turns into the rope for a tug-of-war between fate and will, testing their classically loyal friendship.
