

Second Supplement to Legal History of the Lines of Railroad of Southern Railroad Company

The original History of the Legal Development of the Railroad System of Southern Railway Company was published in 1901 and was a two-volume collection of legal documents detailing the evolution of the company. There was a Supplement published in 1921 and this volume is the Second Supplement, published in 1958. All the volumes provide invaluable reference material for railroad historians. 592 pages. In buckram. Privately printed.
