

The Worst Horror Novel (Night Vigil Book 1)

Edward Torrance is a prize-winning author on top of the world, until his wife, Marilyn, a national book reviewer gives him bad reviews and destroys his career. Despondent and desperate, after she has taken almost everything he owns in a nasty divorce, he goes after her hoping to drive her crazy so he can use her in his latest horror novel, called, of course, the Worst Horror Novel. Marilyn has married a man who is a cop in their community who has strange habits and convictions. Hes a sadist so Edward decides to use the techniques of the bondage community to drive Marilyn insane so she will do exactly as he tells her to do. Before he can take advantage of her, things get out of control and he nearly kills her. He suspects that her husband, Petrie has more secrets than he wants to know about. Nonetheless, Edward battles Alex Petrie and battles his own evil as well as the evil monster that dwells in the body of Alex Petrie.
