

Connection

Julie Wilson lives a charmed life as a beloved teacher and aunt in the small town of Woodland. Close to her brother and guardian of two adorable Yorkies, she loves her life, the only negative being ex-boyfriend, Ray who cant seem to understand the phrase, Were done. Believing thats her only problem, Julie has no idea what hell awaits her during a normal summer afternoon. Remy Foster is the quirky, friendly drifter who has never found roots after a difficult childhood, as well as the difficulties her very special gift brings into her life. Though she may call it exploring, the truth is shes running from ghosts that haunt her every step. After a chance meeting with Julie while hitchhiking, Remy will be thrown head first into darkness she could never have foreseen, regardless of her abilities. As the clock ticks, life and death is on her shoulders to make the right connection. Warning - Some scenes may be too intense for some readers.
