

Cult Following (CSI: Miami)

Lieutenant Horatio Caine of the Miami-Dade Crime Lab is called in to investigate a mysterious death at an organic eatery. He finds the victim, waiter Phillip Mulrooney, bent over a stainless steel toilet, his clothing shredded. There are burn marks on his face and cell phone fragments scattered around, and his shoes are blown off his feet. Incredible as it seems, the initial evidence points to death by lightning strike. The staff at The Earthly Garden believe Mulrooney's death is an act of God -- punishment for straying from the Vitality Method, their spiritual philosophy that inner beauty can be revealed by nurturing the physical and spiritual. The only philosophy Lieutenant Horatio Caine believes in is justice for the victim -- and hell move heaven and earth to get it.
