

Unwritten Life (Sars Springs Saga Life Series Book 1)

Four years ago tragic events changed Alex Garrisons life forever. She has been running away from it and trying to put the past behind her. She changes her name, moves to a new town, and even starts a new career. Just when she feels that she can move on with her life, her past comes back to haunt her. Her best friend, Greg, appears out of the blue and constantly reminds her of what she did four years ago. During her personal venture for freedom, she gives in to her attraction to a married man. When a violent stalker sets his sights on her, she finds love in an unlikely place. But who wants her love so much, that he is willing to kill her for of it?
