

Lizzy Blanchards Memory

Lizzy Blanchard knows she cant distribute on the East Coast but this time shes got something too hot to handle: a fab-plant capable of manufacturing slowdown, the hottest narcotic on the market. Paper-thin tablets that take a user back in memory, experiencing the same dream over and over. Gradus has been in the business for a dozen years and hes never seen anything like it. Lizzys going blue at the temples but talks like she knows the stakes, smoking Mylar cigarettes, holding the fab-plant in her hands like its her dying breath. Hitting the speed limit through a crumbling and dead New York, where the clouds are slanted and the future gray as gunmetal....(A story of approx. 10,000 words)
