

Diary of A Mad Woman

Diary of a Mad Woman is my real, raw emotions and the perception of how I saw my world on a day to day basis... Through the process of this book, I have lost Anger, I have lost Hate, I have lost all the negative things that people used to say to me.. I have lost Depression and Sadness, And I fought My inner demons, and Satan, my Friends, is Real, and is a power and principle of the conditioning of the World we live in... Through this book I battled him and I won!
