

## Chronicles of Ms. Poetic Blaze

Chronicles of Ms. Poetic Blaze are poetic reflections of a survivor of mental, emotional, sexual and physical abuse. For 7 years, she was molested and raped by both a stranger and loved one. She was slapped, punched, stabbed, and beat until she passed out. She was shot at and almost drowned in the sorrows of an abusive man. From medicating herself with alcohol to being saved by the grace and mercy of our Lord and Savior, Jesus Christ, she overcame clinical depression and low self esteem. The side of effects of her life flows through the blood in her veins and in these chronicles she has allowed her blood to pour out for the world to read.
