[Menage Amour: Erotic Paranormal Western Consensual BDSM Menage a Trois Romance, M/F/M, werewolves, spanking, wax play, sex toys, HEA] Two pack masters discover an unyielding love in one woman by altering customs and forming new traditions destined to change the Wyoming Territory forever. Imprinting upon and sharing a lover, the Alphas realize their packs must join together, but they will face great opposition when their chosen mate is confronted with a wrenching decision. Pack masters Frank Smith and Jock Corrigan are enemies, but they are not exactly friends. Still, their similar fates have been altered by an unusual union they cannot deny. Their relationship with Carla Cassidy forces several wolves to make their independent choices. One will stand with the newly formed pack, but another will fall victim to his own selfish needs and motives. A group of new shifters will emerge and change the course of history, but not before the expanding packs' goals are tested and tried. Note: This book contains double vaginal penetration. ** A Siren Erotic Romance
