

Double Milk Girls: Milky Romance (Breastfully Yours Book 4)

Adam has a huge pair of problems on his hands, but what great problems they are to have! He has two potential long-term nursing partners, Nadine and Hitomi. Nadine, tall, buxom, a strapping young woman, filled with the insecurities caused by a bad relationship. Hitomi, Nadine's savior and protector is cool, reserved, but filled with a simmering passion which Adam can sense seething behind her big brown eyes. Both are ludicrously built, huge breasted beauties. The two fulfill and delight him in different ways; Nadine's insecurity and naive charm is complimented by Hitomi's zen-like calm. Tall and short, pale and tan, youthful and mature, the pair embodies every fantasy Adam has ever nurtured in his secret heart of hearts. It will take everything Adam has to make the three of them come together as one.
