

Imperfect Angel: Her Journey To Womanhood

This is a story, poetically-written, of a young girl's roller-coaster journey into womanhood. As this imperfect angel faced many troubling life experiences, she could not understand the reasons why she could not find the happiness she believed she deserved. From the lack of love she felt from her family to the bad influences she was allowing in her path, she was placing blame on everyone and everything without taking an in-depth look in the mirror. So she used her written-therapy, which was poetry, as an outlet for the pain she constantly held within as she searched to find a change for the better. Left with nothing but her faith, she began realizing the lessons in her life experiences were exactly what she needed. Will she find the love she is reaching for? Is she too damaged to ever find true happiness? Will her past determine the woman she turns into? The answers reveal themselves as each page turns.
