

Private law among the Romans, from the Pandects

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1815. Excerpt: ... II.--SHAKSPEARE. After having spoken of Young, I proceed to a man who has made a schism in literature, who is idolized by the country which gave him birth, admired throughout the North of Europe, and placed by some Frenchmen at the side of Corneille and Racine. It was Voltaire, who made France acquainted with Shakspeare. The opinion, which he at first formed of English tragedy, was, like most of his early opinions, replete with justice, taste, and impartiality. In a letter to Lord Bolingbroke, written about the year 1730, he observed: With what pleasure did I see, while in London, the tragedy of Julius Csesar, which has been the delight of your nation for a century and a half! On another occasion he said: Shakespeare created the English stage. He had a genius abounding with vigorous conception; he was natural and sublime, but he did not possess a single spark of taste, or the least knowledge of rules. I shall make a bold assertion, but a true one, when I state that this author spoiled the English stage. There are such beautiful scenes, such grand and terrible passages in his monstrous farces, which are called tragedies, that his pieces have always been performed with great success. Such were the first decisions of Voltaire as to Shakspeare; but when an attempt was made to set up this great genius as a model of perfection, when the masterpieces of the Greek and French drama were declared inferior to his writings, then the author of Merope perceived the danger. He perceived that by elevating the beauties of a barbarian, he had misled those, who were unable, like himself, to separate the pure metal from the dross. He wished to retrace his steps, and attacked the idol he had worshipped; but it was then too late, and he

in vain repented that he had opened th...
