

Dust-Off Three-One

A telephone call to Senator J. William Fulbrights Washington D.C. office affected a change of assignment for new Warrant Officer Pilot Thomas Butler to Medical Evacuation School. He could not have known how this favor would effect his future and the decisions he would make in combat. With only minor glimpses into the struggles of an African American as a Warrant Officer Cadet during the late 1960s, we are catapulted into the jungles of Vietnam. Mr. Butler presents a rare look into the lives of the men whose task it was to retrieve the wounded from the battlefields and jungles of Vietnam. He tells the story like none other has, very effectively including the writings of a North Vietnamese officer, Captain Trang.
