

A Room With A View: a collection of poetry

A Room With A View is a selection of poems that didn't quite fit into any other collection. The poems deal with love, life, and happy holidays. Feel the embarrassment of buying a bra in Fitting, empathise with the family confined to their hotel room in The Costa del Sol In February, laugh at the misuse of English in The Folly Of Language. A Room With A View is amusing, poignant and not like anything else you've read.
