

## Modernist Women Poets: An Anthology

The 20th century was a time of great change, particularly in the arts, but seldom explored were the female poets of that time. Robert Hass and Paul Ebenkamp have put together a comprehensive anthology of poetry featuring the poems of Gertrude Stein, Lola Ridge, Amy Lowell, Elsa Von Freytag-Loringhoven, Adelaide Crapsey, Angelina Weld Grimke, Anne Spencer, Mina Loy, Hazel Hall, Hilda Doolittle, Marianne Moore, Djuna Barnes, and Hildegard Flanner. With an introduction from Hass and Ebenkamp, as well as detailed annotation through out to guide the reader, this wonderful collection of poems will bring together the great female writers of the modernist period as well as deconstruct the language and writing that surfaced during that period.
