

Girls Night In

Olivia was having a rotten streak of bad hookups. Guys came into her life and left as soon as they got what they wanted. She makes friends with Jade, a new and exciting woman at work, who invites her for a Girls Night In at her upscale apartment. Wine flows and so does their passion as Jade introduces Olivia to a whole new world of sexual pleasure. Warning: This book contains graphic language, explicit sex, and other subjects not appropriate for YA readers.
