

East End Diamond

With Martin Morton banged up, Dave Carter thinks hes on easy street. But Martins wife, Babs, has other ideas. She knows she can be just as clever and brutal as a man given a chance, and she is going to grab this opportunity with both hands. Meanwhile, little Jimmy Diamond is growing up in Poplar, believing he is an orphan. Little does he know that his father is still alive and is none other than the vicious crime boss, Martin Morton. Secrets cannot stay hidden forever and things are about to come to a head in the East End. When they do, watch out because sparks are going to fly! East End Diamond is the second book in the East End Series. The first book in the series is East End Trouble.
