

## Bound Odyssey

The year is 2067 and Earth is self-destructing from environmental cataclysms. A portal to a new world is ripped open and refuge there is Earth's only hope. Enter Jace, cowboy diplomat, who is preparing for the negotiation of a lifetime. A sexually conflicted alpha male, he hates everything with a cock, especially himself. The last thing Jace expects is to fall in love with both a woman and a man. His dark history presents the ultimate challenge to Mira and Roman, the sexual Dominant team hired to prepare Jace for the female-dominant culture of the new world. Tragedy has made Mira distrust her Mistress abilities. Survival is her priority, and she resists her deep attraction to Jace's haunted eyes and sculpted body. Roman, however, falls hard and fast for Mira and Jace, ready to honor Mira as his Mistress and force Jace to recognize him as Master. Bound in one another's chains and pushed to the limits of arousal and pain, they must outrun sabotage and conspiracy to find salvation for their bodies, souls and hearts.
