

Writing in English is Easy!: Beginning to Intermediate ESL/EFL Writing Textbook and Student Workbook

This is a low intermediate level writing textbook and workbook for English language learners in high school or university. The book presents the foundational structures for English writing in a clear, concise manner. The explanations and directions are written with basic vocabulary to improve student comprehension of the material and the tasks. The themes for the exercises are fun and relatable for students from all cultural backgrounds. Finally, the exercises focus on student writing production and avoid lengthy reading that can distract from the goal of writing. Teachers will love this textbook because the lessons are self-explanatory and easy to expand on. The author of the book has successfully taught students from over 25 different countries while working in the English Language Institute at the University of San Diego.
