

Farm Boys Like It Rough Bundle (3 Stories, Gay Cowboy, Light BDSM)

Three stories in one! **Farm Boys Like It Rough** Charlie is broke and desperate for work. He responds to an ad seeking manual labor on the farm... ..and meets Jake, the sexy, masculine cowboy farm owner. But Charlie is sad to see Jake in the company of a beautiful woman. It isn't long before Charlie dismisses the chance he'd ever get to be with Jake, the man of his most private fantasies simply due to a difference of sexual preference. But when Charlie turns out to be terrible at farm work, he's about to quit. But then he realizes that farm work wasn't the real reason Jake hired him in the first place. Now, for the first time in his life, Charlie has the chance to live out his most private fantasies, to be dominated by a real cowboy... This erotic story is a work of M/M cowboy with light domination/submission. **Farm Boys Like It Rough 2** After meeting sexy cowboy Jake, Charlie has become his live-in boy toy. It's Charlie's job to be there for Jake's every whim, cuckolded and bound and submissive. And he absolutely loves it. After all, Jake is catch: a sexy, rugged cowboy who never wears a shirt and always wears his hat. After making Charlie wait days, building up the anticipation, Jake takes Charlie out to the barn for another hot roll in the hay. But an inconvenient interruption threatens to make Charlie wait longer. Or perhaps reveal to Charlie just how committed Jake is to this new, erotic arrangement. This erotic story is a work of M/M cowboy with elements of domination/submission. **Farm Boys Like It Rough 3** Charlie's been living on the farm with Jake, the sexiest cowboy in the deep south. And now their relationship is about to go deeper, something Charlie never thought was possible... When Charlie wakes up and finds Jake ready and willing, it's a pleasant change. Usually Jake wants to get the day's farm work out the way, making Charlie watch from the porch and pine after his body in frustrating

anticipation. But Charlie soon finds out there's a reason why Jake wants to get busy first thing in the morning. Jake has a surprise in store for Charlie, one that takes their relationship to the next level, something that Charlie never saw coming...

This erotic story is a work of M/M domination and submission.
