

Fateful Love

PC David Temple's chance encounter with nurse Ursula Willis overwhelms him and she becomes his Tuesday treat, introducing sexual techniques he had only fantasized about. When she deliberately becomes pregnant after a birthday romp on the bramble patch in the woods, he leaves his wife and marries her. Ignorant of her many liaisons and because of her expensive tastes, his workload causes a breakdown. Though he recovers, despite her attempts to keep him compliant with drugs, he is found hanging from a tree. It is assumed to be suicide but his faithful friend Ellie sets out to prove otherwise.
