

Flesh and Bone

Flesh and Bone. What every woman is made of. Beautiful, daring, naughty, sensual. She has a fantasy, she wants to go higher, she searches for her own definition of love. She never says never, has her first orgasm, yearns for the everlasting. This is woman. You, me, the girl next door. We are all flesh and bone. An eclectic collection of lesbian erotica, the stories in Flesh and Bone are as individual as every woman. From the sweetest petals of romance to the thorny edges of desire, our stories are as individual as we are. Yet one theme remains constant and keeps us intertwined we are all Flesh and Bone.
