

Florida Constitutional Law: Cases and Materials (Carolina Academic Press Law Casebook)

Florida Constitutional Law, a casebook used in Florida since 1992, is now in its fourth edition. Authors Cooper and Marks include the functions of a state constitution and how the Florida constitution in amended; separation of power issues; the major constitutional limits on legislative power; the constitutional jurisdiction of Florida courts, as well as the separation of powers limits on the courts that resemble the Article III limits on federal judicial power; units of local government and their relationship to the state and each other; the major constitutional limitations on taxation and borrowing; a selected review of various provisions of the Declaration of Rights, including Floridas privacy guarantee (which is far more extensive than privacy under the United States Constitution), and Floridas homestead provision. The authors have shortened this edition, making it more user friendly than the Third Edition.
