

## International Trade Law (Concise Hornbook Series)

Principles of International Trade Law commences with coverage of the World Trade Organization, followed by Customs and Import Law, Export Law, Preferential Trading Arrangements (including NAFTA and the European Union), and ends with coverage of Technology Transfers and Intl Commercial Arbitration. Principles is intended to provide considerably more depth, analysis, citations and related documents than found in the West Nutshell on International Trade and Economic Relations. Principles of International Trade Law can be used in connection with any international trade or international business transactions course book.
