

## Ford Capri 1.3, 1.6, 2.0, 2.3, & 3.0 WSM (Official Workshop Manuals)

This Factory Workshop Manual on the European Ford Capris covers engine sizes 1300cc, 1600cc, 2000cc, 2300cc, 3000cc models built from 1974-1987. Covered are sections on vehicle identification, engine, ignition system, cooling system, fuel system, clutch, gearbox, propeller shaft, axle, suspension, steering gear, braking system, wiring diagrams, carburettors, wheels and tyres and so much more. It has been prepared to provide the service operator with the necessary information for maintenance and repairs. It also serves as a reference book for service supervision and covers items of procedure for the guidance of both the fully qualified and the less experienced mechanic.
