

Lovers and Takers

Jake Varnadore is a ladies man who commands a hotel empire in the heart of Miamis South Beach. Along with his handsome son, Aubrey, and his petulant daughter Pam, they are successful in business, but very unsuccessful in love. Veronica Wingate is an attorney who looks out for the little guy, but when she meets the gorgeous hotel magnate, she doesnt know if she found the love of her life, or a thorn in her side. In an interracial romance of family, greed, and lovers and takers, Jake Varnadore finds himself fighting hard to not only keep his family from falling apart, but his very own nature from ruining his chances with the best woman, and lover, he could have ever dreamed of calling his own.
